Welcome Enrique

04:04 to: *Brock Cook*

its very slow....

04:09 to: *Christy-Lyn (South Africa)*

Definitely

04:15 to: *Christy-Lyn (South Africa)*

And sustainability is a big problem.

05:39 to: *Sarah Bodell*

Hello Craig

05:54 to: *Sarah Bodell*

I lurve Gareth :-)

05:58 to: *Enrique*

Hi Sarah! Just listening and trying to be multi tasking with some jobs here

06:10 to: *Sarah Bodell*

06:12 to: *Helena Culshaw UK*

06:50 to: *Helena Culshaw UK*

I used to be a member of The Royal Liverpool Hospital choir in 1979 when it first opened.

07:51 to: *Craig Hynes*

hello:)

07:53 to: *Helena Culshaw UK*

The Lewisham Hospital choir reminds me of those days :)(m)

08:06 to: *Louisa Hasseldine*

Hi Craig :)

09:31 to: *Christy-Lyn (South Africa)*

This is so awesome!!! What a great idea :) :)

11:43 to: *Christy-Lyn (South Africa)*

That is such a broad variety of genres!! Haha :D

11:58 to: *Clarissa (UK) - @clissa89*

iv never heard eskimo music! :O

12:00 to: *JenOT*

Eskimo music sounds like a great idea :)

14:13 to: *Christy-Lyn (South Africa)*

Sounds like a really positive experience for all

14:39 to: *Louisa Hasseldine*

i agree

14:57 to: *Helena Culshaw UK*

This is reflecting what people in the work based choirs with Gareth Malone said -

15:32 to: *JenOT*

This sounds like it was a wonderful project

15:53 to: *Helena Culshaw UK*

The CEO of the water authority singing alongside the leak tester both used some similar phrases

16:56 to: *Christy-Lyn (South Africa)*

Yes, I think nurses' work in these settings can be particularly draining in terms of patient interaction, I think.

17:47 to: *Craig Hynes*

I have found that encouraging staff to change their attitudes to work is one of the biggest challenges to off ward groups

19:03 to: *Sarah Bodell*

Hi Kim, welcome

20:10 to: *Christy-Lyn (South Africa)*

What a wonderful story!

20:20 to: *Sarah Bodell*

I have another question!

28:45 to: *Christy-Lyn (South Africa)*
Great, thanks!

29:00 to: *Christy-Lyn (South Africa)*

Since we don't have many music therapists, I might have to become one myself ;)

29:03 to: *gail eva*

One from me...

29:09 to: *Ian Merrick UK*

Good idea!

29:14 to: *gail eva*

You need to write this up, Ian!

29:26 to: *Christy-Lyn (South Africa)*

Yes yes yes!

29:27 to: *gail eva*

Ok - not so much a question as a recommendation :)

29:27 to: *Clarissa (UK) - @clissa89*

hahaha :D

29:39 to: *gail eva*

:)

29:44 to: *Ian Merrick UK*

Thank you

29:48 to: *Helena Culshaw UK*

Not sure if I missed this but was the project sustained?

30:27 to: *Christy-Lyn (South Africa)*

definitely

34:17 to: *Clarissa (UK) - @clissa89*
have you got a recording of eskimo music? ;)

34:24 to: *Christy-Lyn (South Africa)*
And do you think video recordings would be too ethically sketchy to share in this type of situation?

34:38 to: *Christy-Lyn (South Africa)*
haha :)

34:47 to: *Brock Cook*
I helped run a music group a few years ago and the outcome was that the songs they learned were recorded and each participant got a copy of their handywork :)

35:10 to: *Clarissa (UK) - @clissa89*
that sounds like a really great reminder of achievements brock :)

35:33 to: *Brock Cook*
